

## **JOIN THE GREAT PHONE DRIVE**

### **OLD CELL PHONES FOR LUPUS**

The Lupus Alliance of America, Western New York Affiliate, a not-for-profit volunteer organization dedicated to public education, research and fundraising for the fight against lupus, has found a new, easy way to raise money. Just about everyone has an old, inactive or idle cell phone sitting around their home or office. The Lupus Alliance is now collecting all models of cell phones and turning them into money. The accessories for the phones cannot be used, we just need the phone itself and the battery if available.

You can just drop off or mail your cell phone to the Lupus Office at 3871 Harlem Road in Cheektowaga (across from Jubilee). There is a collection box inside the building next to our office if we are not open. You can also bring them to the Lupus Walk on Sunday, September 19<sup>th</sup> at Como Park in Lancaster.

If you would like to set up a collection box at your office or another location, please contact us at 835-7161 or e-mail us at [lupuswny@aol.com](mailto:lupuswny@aol.com).
